 like a complimentary  
 ticket.**

## NARI Remodeled Homes Tour Set for May 22

TZ of Madison will be featuring a basement project on this year's NARI Remodeled Homes Tour. This year's Tour set for Sunday, May 22, will feature 15 sites. See the side bar for event information.

copper wrapped bar with black glossy cabinets, a must see ceiling fixture, kitchenette, full bath with sauna and exercise room. Even though a basement it exudes light and warmth. It literally has it all!

Stop by our Tour Site #15 on the 22nd and see for yourself why this basement was recently awarded the NARI National Region 3 Award for Basement Remodel over \$100,000.

This large family wanted to increase their entertaining and family space. He loved the Northwoods, she wanted a more exotic Moroccan look. The result is a unique pairing of the two styles that is part elegant lounge, part man cave and all uniquely them. This gorgeous, funky and fun basement includes a large entertaining area for family, a stunning

# Good Things Come in Three's

We have some exciting news since our last newsletter. We learned that two of our projects entered in the NARI National competition were awarded Region 3 CotY Awards! The gorgeous bar project which won locally is now also a Region 3 winner. Our Tour site for 2016 was also awarded a Region 3 award for basement remodel. We are pretty blown away as the competition in Region 3's Midwest is pretty stiff. So Larry and Karen decided to take a trip down to

Austin, TX in April for the NARI National meeting and CotY Award ceremony. To our utter delight and amazement we also picked up the National NARI CotY for the beautiful bar project making that a three time winner. Such excitement! Thank you to our fantastic homeowner, Team Member Curran Cabinetry, LLC and all of the subs who contributed to this project. As the homeowner informed us, "There is a trophy case to build!"

## Captain's Corner

The boat is in the water, so you know what that means! No, not what you think...it means that the remodeling season has kicked into high gear. TZ has been blessed with a an active schedule this year and we owe it to our wonderful homeowners and subcontractors who continue to send referrals our way. Thank you for sharing the love!

The TZ crew is keeping busy staying on top of the various projects. In the meantime, I'll be waiting on the boat hoping to spend some time with my favorite humans.

Woof!

**2016 NARI National CotY Award  
Residential Interior under \$75,000  
(or as Larry refers to it, "the top dog prize!")**

**2016 NARI National Region 3 CotY Award**

**2015 NARI Madison Contractor of the Year Award**
